August 2008

Burr Ridge School District 180 Area Merchants and Neighbors,

The start of a new school year is right around the corner at Burr Ridge Middle School and Anne M. Jeans Elementary School. A successful school experience is important for all of the children of our community. As the Burr Ridge School District 180 superintendent, I want to do everything in my power to be sure that it is a safe and rewarding experience.

As I am sure you have done in the past, I am asking that you continue to be vigilant in watching out for the welfare of our students as they make their way to and from school. I know that the parents of these students as well as other community members appreciate your efforts to ensure the safety of our children.

If you should observe any student related concerns, unwelcome behavior, unusual persons or something out of the ordinary, I hope that you will call the school. I am including my business card as well as a school calendar with this letter.

For information about our school and some of the excellent programs we offer our students, please be sure to check our web site: <http://www.ccsd180.org>.

I, and the entire board of education, appreciate your support of our children and Burr Ridge 180 children. Please do not hesitate to contact me should you have any questions as we continue to work together to provide our children a quality education.

Sincerely,

Tom Schneider, Ed.D.
Superintendent
