Dear New Burr Ridge School District 180 Family,

As the Superintendent of Burr Ridge School District 180, I would like to welcome you to our school district. Whether you have a child at Anne M. Jeans Elementary School or Burr Ridge Middle School, you have access to some of the best educational programs and teachers in all of the Chicago Suburbs, if not the entire state.

As the new members of our Burr Ridge 180 team it is important that you become active in your child's education. Our district and our children can only be successful if we are able to work together.

We promise to do our best to make sure that your child has all of the support and assistance they need to be successful. At home, we hope you will reinforce this message by making sure that your child has a quiet place to do homework, that you assist and check to make sure that homework is completed and that you set limits on watching the television and playing video games. These few simple steps will demonstrate your commitment to education and help your child succeed.

This year our school district will celebrate its 100<sup>th</sup> year of providing outstanding educational opportunities for children in the Burr Ridge and Willowbrook area. Last year, both schools were recognized as Illinois Spotlight Schools recognizing outstanding achievement.

This is a great achievement, but the only way for your child can make the most of our outstanding programs is with your support and encouragement at home.

And while we are proud of our past success, we know that your child and your family's success is the most important goal we can achieve. Please be an active part of that success.

I look forward to working with you and wish you continued success.

Thanks,

Tom Schneider, Ed.D.  
Superintendent
